

AUTO
MALL

THE DEVELOPER'S CHAMPION?

When a suburban-style auto mall was proposed for Wells Street, Alderman Daley supported the developer. Residents were forced to spend \$15,000 of their own money to “Slam the Breaks” on the project. Even then, she sided with the developer...why?

It took over 500 residents protesting on their *own* behalf to get the Alderman to even think about listening to them. Over 67% of Alderman Daley's contributions are from real estate interests and businesses. Who do you think she is standing up for?

You deserve an Alderman who will stand with you from the beginning, a true community advocate. Michele Smith will stand up for *you*, not developers. She's a true champion for your interests. You'll know where she stands. Every time.

"TRAFFIC'S COMING NEXT"

Real estate developers are planning new shopping malls bordering North and Clybourn as big as the largest suburban malls. Alderman Daley has not lifted one finger to stop them. If you want to know why, just look at who is paying for her campaign...

Over 67% of Alderman Daley's contributions are from real estate interests and businesses. And every time, she stands with the developers and against the needs of ward residents.

We are in traffic gridlock already. We cannot afford another four years of uncontrolled development. Michele Smith will stand up for *you*, not developers. She is a true champion for the neighborhood and will fight to protect us.

THE ALDERMAN WHO CRIED “WOLF!”

Once upon a time, there was an Alderman named Vi. Vi cried, “Michele lives outside the ward!” The town’s people learned instead Michele has lived here for *26 years*. Alderman Daley was just crying wolf.

Vi cried, “Michele destroyed healthcare benefits at Navistar!” The town’s people learned instead that Michele *saved* retiree benefits. Alderman Daley was again crying wolf.

Now Vi’s losing her race for Alderman. The more the town’s people look, the more they want a *change*. So Vi’s crying wolf again, this time about Michele Smith’s campaign...

How can you believe her? Alderman Daley says she works to reduce housing density, but then approves the tallest high-rise in Lincoln Park in 20 years.

Alderman Daley says she stopped a 5-story automall on a pedestrian street, but it was 500 residents who hired an attorney to halt it.

Alderman Daley says she supports you, but 67% of her more than half-million dollar election campaign is bankrolled by bars, real estate developers and businesses.

Tired of Alderman Daley crying wolf? Vote for change. Vote for Michele Smith.
